TOURISTS MAY SET NEW MARK HERE THIS YEAR

Unless tourist visitation drops drastically from its normal pace the Gettysburg Battlefield will establish a new record this year.

The National Park office this morning reported that tourist visitation during September was 143,699, which brings the total number of visitors so far this year to 1,653,484 or just 57,917 less than the 1,711,401 total of 1961. Last year 256,621 visitors toured the battlefield in October, November and December.

And if the fall weather is good it is possible that visitation to the battlefield may reach the 2,000,000 mark this year. Park officials stressed that "from here on out the weather will determine to a large extent whether we set a new record or not. Beautiful fall weekends usually bring great numbers of visitors to the field. Poor weather and early snows can keep them away. It's as simple as that."

EXPECT CROWDS

Next Sunday with the Civil Air Patrol staging a rescue training session here and with the firemen of the county gathering for a fire prevention program in Lincoln Square it is expected that crowds will be unusually large, if weather is favorable.

The following weekend, October 13 and 14, with the annual "all harvest weekend in the fruit section and with a re-enactment of Stuart's Raid at Cashtown Sunday, October 14, it is expected that again—weather permitting—there will be an unusually large visitation to the area and the battlefield.

The 143,699 who toured the field in September compares to 129,890 here in September 1961. The 1, (Continued On Page 3)

Invokes T-H Act To Stop Strike Of Longshoremen

NEW YORK (AP) — Longshoremen quit work on Atlantic and Gulf Coast ports today after their contract expired. Within 10 hours, President Kennedy invoked the Taft-Hartley Act in an attempt to end the work stoppage.

The presidential action, the first step in Taft-Hartley machinery, appeared to be the only immediate likelihood of bringing the unionized longshoremen back to docks from New England to Texas.

Prospects for quick agreement on a new work contract seemed remote.

The White House said Kennedy would create a board of inquiry to report to him by Thursday on the nature and scope of the work stoppage. On the basis of the board's report, the President will decide whether to order the usual 90-day cooling off period.

Former President Dwight D. Eisenhower, during his administration, used a Taft-Hartley injunction to halt a waterfront strike that tied up more than 200 American-flag ships for a week.

THIRD ARTIST SELECTED FOR CONCERT HERE

Mrs. William C. Darrah, membership chairman of the Gettysburg Concert Association, made a partial report at the meeting of the board of directors held at Hotel Gettysburg Sunday afternoon. The captains who have not yet turned in their memberships have been urged to do so as soon as possible.

With the returns at hand, the board selected as the third artist of the season, Sara Endich, soprano, at a probable date in late February. Miss Endich, after eight successful appearances with the Cleveland Orchestra, has returned to sing with that organization this season. In addition, she will sing with orchestras and in recitals from coast to coast. Her Victor Herbert record with the Robert Shaw Chorale, released on RCA Victor, has been a best seller this year. Her most recent recording is on RCA Victor, Bach B Minor Mass with Shaw. The board decided to select a vocalist because none appears on the schedules in nearby associations with which Gettysburg has reciprocal arrangements.

Paul W. Grove, president, presided at the meeting, following a coffee hour at which Mrs. Henry M. Scharf was hostess. Reports were presented and Robert Stafford, Columbia representative from New York, listed available artists in the price range afforded by the local campaign which closed Saturday.

Miss Anna Grimm reported that memorial books had been placed in the Adams County Library in memory of the late Rev. A. W. Geigley, an officer of the association. The board also voted to place a similar memorial in the Gettysburg College Library in memory of the recently deceased Dr. W. Frederick Shaffer, a long-time member of the group. These memorials are financed by contributions from the board members.

Shirley Fox And Lloyd Flohr Wed

Miss Shirley E. Fox, daughter of Mr. and Mrs. George G. Fox, Cashtown, became the bride of Lloyd S. Flohr, son of Mr. and Mrs. Daniel Flohr, Orrtanna, Saturday afternoon at 3 o'clock in the St. Paul's Methodist Church, Hagerstown. The double-ring ceremony, attended by the immediate families, was performed by the Rev. J. Turnbull Spicknall.

For the ceremony the bride wore a powder blue nylon and lace ballerina dress with beige accessories and a yellow and white baby rose corsage. The mother of the bride wore a blue dress with black accessories and the bridegroom's mother wore a navy and white dress with black accessories.

A reception was held at the bride's home immediately following the ceremony. The couple then left on a weekend trip to an unannounced destination. Upon their return they will reside on Gettysburg R. 1.

The bride attended Gettysburg High School. The bridegroom is employed at the Timely Furniture factory here.

BOARD TO MEET

The October meeting of the Gettysburg Area School Board will be held this evening at 8 o'clock in the superintendent's office at the high school building. President Robert H. Deardorff will preside.

IKE AND YOUNG GOP HOPEFULS MEET FOR HOUR

General Dwight D. Eisenhower handed out advice to Young Republican candidates on campaign issues and strategy and gathered from them information about their organization and the general gains of Republicanism across the nation at a Saturday morning conference in the Hotel Gettysburg pressroom.

The one-hour meeting of Gen. Eisenhower with 35 representative Young Republican candidates for local, state and national offices from all parts of the nation started with picture taking, developed into a mutual question and answer session and ended with Gen. Eisenhower saying: "God bless you and may He increase your strength a thousand times."

After the conference, the Young Republicans, headed by their national federation chairman, Leonard J. Nadassy, Minneapolis, boarded buses for a visit and picture taking at the Eisenhower farm before leaving for Washington by bus with box lunches to eat on the way.

ANSWERS QUERIES

During the pressroom session there was an opening statement by Nadassy pointing out the work being done nationally by the Young Republicans and then he introduced 35 candidates as the representatives of the "Young Republicans Class of 1962."

Gen. Eisenhower invited questions and they came quickly. He was asked how to convince the people of the Republican party is the party of the people "when they've been hearing the opposite so long from the Democrats." He

Ike Confers With Young Republicans

Gen. Dwight D. Eisenhower is pictured during his mutual question and answer session with 35 Young Republican candidates for city, state and national offices in the Hotel Gettysburg pressroom late Saturday morning. Gen. Eisenhower spent an hour with the Young Republicans, having his picture taken with each candidate, discussing issues and getting reports on GOP progress in many parts of the nation. Leonard J. Nadassy, Minneapolis, chairman of the Young Republican National Federation, has his back to the camera. The candidates are grouped across the table. The young woman is Betsy Daniel, Huntington, W. Ole Miss Enrolls Negro After Night Of Rioting In Which Two Are Killed

OXFORD, Miss. (AP) — The University of Mississippi enrolled James H. Meredith, a Negro, as a student today. His presence on campus had sparked night-long rioting in which two persons died.

The 29-year-old Air Force veteran thus became the first Negro knowingly admitted to Ole Miss in 114 years.

It was not until 6:10 a.m. (CST) today—almost 11 hours after the rioting started—that Brig. Gen. Charles Billingslea, commander of federal troops in Mississippi, was able to say, "I now declare this area secure."

BAYONETS AND GAS

Massed federal power — using bayonets and tear gas—forced the enrollment upon a bitter and stubborn state whose Gov. Ross Barnett had sworn to go to jail rather than submit.

Gov. Barnett indirectly gave up physical resistance Sunday in a public statement to his citizens.

W. A. Feldmeyer's father died Sunday.

Sam H. Feldmeyer, 74, father of the manager of the Timely of Gettysburg plant here, died Sunday evening in Stark Memorial Hospital, Huntingburg, Ind., after a short illness.

A retired farmer, he was past secretary-treasurer of the Fairmount Cemetery Association at Huntingburg.

Surviving are his wife, Meta; a daughter, Miss Eunice Feldmeyer; two sons, S. H. Feldmeyer Jr. of Huntingburg, and William A. Feldmeyer, Barlow St., manager of the Timely plant here; two grandchildren and a sister, Mrs. Albert Brusman, of Huntingburg.

Funeral services Wednesday from the Nass and Son Funeral Home in Huntingburg, with interment in the cemetery at that city.

Tropical Storms In Two Oceans Pose Threats To Schirra's Orbital Flight

CAPE CANAVERAL, Fla. (AP) — Two major storms — tropical storm Daisy in the Atlantic and typhoon Dinah in the Pacific — posed possible threats today to Walter M. Schirra Jr.'s projected six-orbit space flight, scheduled Wednesday.

Daisy was not expected to cause trouble unless the shot is delayed.

A spokesman for the National Aeronautics and Space Administration reported officials are keeping a close watch on the two weather systems.

FEAR ROUGH WEATHER

Daisy boiled up 420 miles east of Puerto Rico Sunday and the San Juan Weather Bureau reported winds up to 50 miles an hour in a small area near the center. The storm was following a course which would create a heavy sea problem Wednesday near Grand Turk Island, the ocean area where Schirra would land if trouble forced his flight to be terminated after three orbits.

SEPTEMBER WAS COOLEST IN 45 YEARS

There's nothing monotonous about September weather in Gettysburg.

Last year the month was the warmest September in 30 years and this year was one of the coolest Septembers ever recorded here.

The month that ended Sunday was the coolest September here since 1917 although it did not equal the record set by the month in 1913.

The month of September was distinguished by its return to the normal rainfall column, the first month since February that has achieved that level.

RECORD SET IN '13

September had a surplus of 21 hundredths of an inch of rain but that left the first nine months of the year 5.18 inches short of normal. Only February and September have had normal rainfall this year. The total for the first nine months is 26.25 inches and normal for the first three-quarters of the year is just over 30 inches.

Last year the month's rainfall was 3.58 inches. This year it was 3.56 inches. Normal is 3.35 inches.

Measurable amounts of rain fell on nine days last month. Last month's average temperature here was 62.16 degrees and that is 4.74 degrees below normal. It was the coldest September since 1917 when the average was 62 degrees. The record-setting September of 1913 had an average temperature of 57.5 degrees.

The daily average high reading was 72.8 degrees while daily low temperatures averaged 51.53 degrees. The high reading last month was 95 degrees on the first day of the month and the low was 35 degrees on September 22. There were three days when the low was in the 30's.

The first frost this year came on September 21. Last year the date of the first frost was September 30.

ARENDTSTOWN REPORT

The September report compiled at the Arendtstown weather station by Dr. Frank N. Hewetson showed a total of 5.22 inches of rainfall there which is 2.14 inches above normal and 2.93 inches above September of last year.

The nine-month accumulation there is 26.91 inches which is 5.46 short of normal and 4.89 inches under the same time last year.

The average temperature there was 61.6 degrees which is four degrees below normal. The average maximum was 73.4 degrees and the average minimum 49.8 degrees. The highest reading was a 95-degree temperature on September 1 and the low was 33 on the 22nd. Dr. Hewetson measured 164 hours and five minutes of sunshine last month which was only 43.8 per cent of the total "available" if there had been no cloudy days.

At Hangar S, Schirra undergoes daily physical checks, dines on a low residue diet and makes repeated run-throughs of the flight plan. He left the Cape for a while Sunday for a swim in a pool in nearby Cocoa Beach.

All other elements of the mission, including Atlas booster rocket and capsule, were reported in excellent condition.

FILM FOR LIONS

A film titled "Touring in Formosa" will be shown at the weekly dinner meeting of the Gettysburg Lions Club this evening at 6 o'clock at the VFW home. The film was made under the sponsorship of the Chinese government.

Short Wave Radio Class To Begin

The first in a series of classes in amateur short-wave radio communications offered by the Adams County Amateur Radio Society will begin this evening at 7:30 o'clock at the Lane Studio.

Harry Fasick, president of the club, said the course is open to all "high school and college students and others interested."

The course is designed to help beginners become familiar with international Morse code and simple electronic theory with the ultimate aim of the course being a federal communications commission amateur radio license. Fasick said that "ham" radio is a world wide hobby with some 250,000 licensed amateur radio operators in the United States alone. He noted that amateur radio operators "render invaluable services in emergencies and in promoting international good will."

MISS BOYER IS BRIDE SUNDAY OF R. H. HARMON

The marriage of Miss Harriet Elaine Boyer, daughter of Mr. and Mrs. Charles G. Boyer, E. York St., Biglerville, to Ronald Harry Harmon, son of Mr. and Mrs. Harry U. Harmon, Gettysburg R. 3, was solemnized in the Church of the Brethren Sunday afternoon at 3 o'clock. The double-ring ceremony was performed by the pastor, Rev. C. Reynolds Simmons.

The worship center was decorated with white gladioli and chrysanthemums. The organist was Mrs. Warren Eshbach. The vocalist was James Bufenmyer, who sang "I Love You Truly," "Because," "O Perfect Love," and "The Lord's Prayer."

The bride, given in marriage by her father, wore a white floor-length gown of peau de soie. The Chantilly lace bodice with scalloped sabrina neckline was trimmed with seed pearls and sequins and had long sleeves ending at a point over the hand. The wing skirt with lace panels on both sides draped into a butterfly effect at the back. The fingertip veil of silk illusion fell from a scalloped crown of pearls and sequins. She carried a white Bible, topped with white carnations and satin streamers. The Bible was a gift from her grandfather. The ring bearer was

The nine days of devotion will "consist of special prayers for the guidance of the Holy Ghost upon the deliberations of the bishops and Holy Father as they meet to decide upon the important matters that are placed before them. We ask every parishioner to make an effort to attend these sessions of prayer that the work of the council may be truly successful and benefit not only the church but all mankind," Father Kealy said in the bulletin of activities distributed at the services.

30 LICENSES ISSUED

5 INDICTMENTS ARE RETURNED BY GRAND JURY

The Adams County grand jury at noon today returned true bills in five indictments against Herbert F. Dieterly, Pennsburg, and Arthur Samuel Beamer, York. All are based on obtaining monies by false pretenses and conspiracy. In some cases the basic count is forgery, in others worthless check.

Jacob Appier, E. Broadway, was foreman for the grand jury which continues its hearings this afternoon. Two of the scheduled grand jurors were excused this morning. Mrs. Cymbeline Biessecker, Cashtown, and Russell D. Lucabaugh, East Berlin.

The court this morning gave approval for settlement in two trespass cases.

SETTLE DAMAGE SUITS

Following a hearing at which Dr. Roy W. Gifford, Mary C. Brumbaugh and Mrs. Daisy K. Leonard testified, the court approved settlement of the suit of Miss Brumbaugh against the Pennsylvania Railroad for \$2,250. Miss Brumbaugh was one of the more than persons injured when a Pennsy Railroad Phillies game excursion train went off the rails near Steelton this summer. The agreement provides for payment to Miss Brumbaugh and her mother, Mrs. Leonard, of \$107.72 to cover various expenses, loss of wages, etc., and the placing of \$2,142.28 in a special bank account in the Gettysburg National Bank for Miss Brumbaugh to be paid to her on her 21st birthday or prior to that date by order of court. Miss Brumbaugh and Mrs. Leonard reside on York St.

TWO DIVORCE DECREES

The other settlement was in the trespass action brought by Iva M. Crowl, Abbottstown, administratrix in the estate of Eugene Crigger, late of Abbottstown, against Alfred J. Flory, York. The suit arises from a December 22 accident in which Flory's car allegedly struck the Crigger child, fatally injuring him, near Abbottstown. The \$3,050 settlement provides \$696.16 for funeral expenses and

URGE PUPILS TO ENROLL IN NIGHT CLASSES

Prospective students for the adult evening classes to be offered at the Gettysburg High School beginning next Monday evening were urged today to register by mail or on Thursday evening from 7:30 to 8:30 o'clock at the high school building.

Brochures describing the courses to be offered and providing an enrollment form are available in local banks and in utility company offices. Enrollment forms also have been published at intervals in The Gettysburg Times.

The courses which were offered last year will be given again if enrollment is sufficient and some additional courses are being prepared if there is a sufficiently large demand for them. Among them is a course in world geography to be given by Patrick Kelly of the high school faculty each Monday and Thursday from 7 to 9 p.m. It will run for eight weeks. Its principal aim is to "encourage a person to think in terms of man's relation to his total environment." Regions of the earth will be studied along the developing basic geographical skills.

Another course being offered is in arts and crafts. Gravel mosaic, tile mosaic and plastic items are three of the areas of work that can be engaged in during this course and other areas of interest may be started if enough pupils are signed for the course. It will be taught by Gary Bechtel for 10 weeks. Classes will meet from 7 to 10 p.m. on Monday evenings.

GOLDBERG TO BE SWORN IN AS JUSTICE

By PAUL M. YOST
WASHINGTON (AP)—The Supreme Court begins its new term today with President Kennedy due to be on hand for the swearing in of Arthur J. Goldberg as an associate justice.

Goldberg's wife, son and daughter will also be in the marble courtroom when the former secretary of labor pledges to administer justice equally, without respect to persons.

Actually he takes two oaths, both administered by Chief Justice Earl Warren, before he takes his seat on the great mahogany bench. The other oath is given in the privacy of the chambers with only the justices present.

2ND KENNEDY CHOICE

Goldberg succeeds Felix Frankfurter, who resigned this summer because of ill health.

He is Kennedy's second appointment to the Supreme Court. His first, Byron R. White, was sworn in April 16.

This session, with a particularly heavy docket and expected to produce some momentous decisions, likely will tell whether their judicial views are liberal, conservative or somewhere in between.

At 54, Goldberg, son of Jewish immigrants, will be the third youngest member of the court. Justice Potter Stewart at 47 and Justice White at 45 are the youngest.

DOCKETS CRAMMED

Goldberg joins the high tribunal when it dockets are crammed with more than 1,000 cases some are certain to produce momentous decisions.

The court, for instance, will decide on:

The constitutionality of Bible reading and the saying of the Lord's Prayer in public schools. The final outcome of sit-in racial demonstrations in the South.

Fixing of new standards for reapportionment of legislative districts in the states.

Will Attend State Medical Meetings

A number of local physicians will attend the 112th annual sessions of the Pennsylvania Medical Society at Atlantic City October 10 to 13.

Listed as the delegates from the Adams County Medical Society to the state convention are Dr. W. North Sterrett, Arendtsville, and Dr. Roy W. Gifford, Gettysburg. The alternate delegates are Dr. Raymond M. Hale Jr., Arendtsville, and Drs. Raymond Sheely and John Dunkelberger, both of Gettysburg.

At the convention the society will elect officers, act on resolutions and set up rules and regulations.

The first session will get underway at 7 p.m. October 10 at the Chalfont-Haddon Hall in Atlantic City. The next day the scientific program in which all Pennsylvania medical doctors are eligible to participate will begin. The scientific sessions will feature presentation and discussion of the latest tested medical developments by some of the nation's leading physicians. The state organization this year condensed the annual session from its usual week to three days and four evenings.

Ole Miss

(Continued From Page 1)

in the Lyceum and sniper bullets pinked dust from the red bricks of the century-old structure.

Slowly the bayonets forced the rioters back dispersing them, finally, into the woods and the dormitories of the 640-acre campus. Military police arrested 93 as they swept back the rioters. A Justice Department official said each could be subject to penalties totaling 20 years and a \$20,000 fine.

He said the charges could range from assaulting a federal marshal to rebellion or seditious conspiracy.

Regular troops lined up around the campus. Estimates put their strength at 1,000 men.

From the depths of the campus came a muffled hooting from scattered elements of die-hard rioters—audible threat to the safe passage of James H. Meredith, 29-year-old Negro whose court-ordered enrollment at Ole Miss brought on the night's tragedy.

Armed marshals, who brought Meredith to the campus late Sunday, placed him in an apartment and guarded him through the night.

Today Meredith awaited the trip to register him as a student—first Negro knowingly admitted to the school in its 114 years.

The dramatic date with registrar Robert Ellis seemed to be on schedule this morning.

REPORTER SLAIN

A French newsman, Paul Guillard, died amid the fog of tear gas, a bullet in his back. He was reporting for the London Daily Sketch and Agence France Presse.

A jukebox repairman, George Gunter, 23, was shot twice, once through the head and once through the body. He was dead on arrival at a hospital. State police said he was killed on the campus.

Two marshals and a newsman were among approximately 20 casualties, resulting from bird shot, bullets, rocks and tossed soft drink bottles. The condition of the two marshals was serious.

TROOPS ON CAMPUS

With the riot eight hours old at a few minutes after 3 a.m. Brig. Gen. Charles Billingslea ordered federal troops on the campus to use any force necessary to put down rioting.

Their bayonets fixed, 200 military policemen trained in riot control stood in front of the administration building where for an hour and a half the rioters had held federal marshals and National Guardsmen trapped.

This emotional explosion was worst since the U.S. Supreme Court made its historic 1954 decision outlawing segregation in public schools.

It was the gravest crisis between Mississippi and the federal government since the Civil War.

SOVIETS SNUB RED CHINA'S CELEBRATION

By JOHN RODERICK
TOKYO (AP) — The Soviet Union snubbed Red China's massive 13th anniversary celebration today, underlining the continuing rift between the giants of communism.

More than 500,000 persons marched through the Square of Heavenly Peace in Peiping, but not a single Soviet official of importance sat in the reviewing stand with Chinese leader Mao Tse-tung.

Evidence of continuing tension in Peiping's relations with Moscow was coupled with admissions of shortcomings and mistakes on the home front—and a hint that a purge of some size is continuing.

NEW AGGRAVATION

The ideological dispute dividing Red China and the Soviet Union was aggravated last week by the visit of Soviet President Leonid Brezhnev to Yugoslavia, a constant target of Chinese Communist criticism.

Premier Chou En-lai in a speech Sunday night lumped "modern revisionists" — apparently meaning Yugoslav President Tito and perhaps Soviet Premier Khrushchev—together with the United States, imperialists and reactionaries who he said were trying to isolate Red China and force her to change her policies. Chou said such a campaign would never succeed.

ATTACK CONTINUES

The attack continued today in the keynote speech of Vice Premier-Foreign Minister Chen Yi in Peiping's Red Square. He called for unity in a struggle against "U.S. imperialist policies of aggression and war," an apparent dig at what Peiping considers a soft Soviet policy of peaceful co-existence with the West.

Khrushchev sent the usual telegram of congratulations, but he and other ranking Soviet leaders boycotted a rally in Moscow.

IKE AND YOUNG

(Continued From Page 1)

was asked about major issues in the current campaign, whether it is well for young politicians to seek local and state offices first and he was asked to discuss the importance of local elections.

Gen. Eisenhower urged the Young Republicans to impress upon the voters the belief Lincoln stated that "government should do for people only those things which people cannot do better for themselves." He also urged the theory that "government that is closest to the people is the best government."

WARNS ABOUT DEBT

The claim that the Democratic party is the "people's party" was dismissed by Ike as "propaganda" and he noted that many of the programs for the benefit of the people were started in his administration. "There are many evidences that the Republican party is the party of the people and the candidates and the GOP hierarchy might do more to point out that fact," he said.

In discussing what the Republicans stand for, Ike shook his head about "the administration's constant refusal to pay debts but piling them up for the future. I don't know how long this can continue without damaging our security, especially the value of our money," he said.

He spoke earnestly of the importance of local township, city and county elections and of the offices to be filled there. "We must have dedicated people in those offices if we're going to keep the federal government in its place," he said.

"SOME EXCEPTIONS"

When he was asked about the advisability of seeking local offices first in opening a political career, he gave general approval but noted there are "some exceptions." He added with a smile: "I ran for only one office—but my career was in the military and I started at the bottom there I can assure you."

He spoke of the beneficial influences of youth in a political party, cited the enthusiasm and vigor they impart and said: "The Young Republicans are absolutely essential."

COMMENTS ON CRISIS

Gen. Eisenhower answered questions for 25 minutes and then asked the candidates for House and Senate, for state legislatures, for mayor and governor about their observations from their areas. He was told of the surge of Young Republicans in the south where work has started at the precinct level. He was told that the YR movement in Oklahoma dates from "your victory there." He got "greatly encouraging" reports from across the country about grassroots work being done by Republicans, heard there is but little indifference or resentment toward the Young Republicans from their elders and called on three women candidates for special reports on the woman's

Crowd Attends Closing Cooking School Session

BRIDGE CLUB ON THURSDAY

Life Master Richard A. Miller, York, will begin a Master Point Bridge Club, including bridge lessons and competitive play on Thursday at 8 p.m. at the American Legion home, Baltimore St. The sessions will continue each Thursday thereafter as long as there is sufficient interest.

The program features a three-quarter-hour lecture on such things as bidding, play of the hand and defense, then two hours of competitive play. Those interested can either set their own tables or Miller will arrange tables the evening of play. He emphasized that the club is for those who have a working knowledge of the game. This need not include finer points of play. There is no registration required.

Miller, the author of "Point Count Bidding" and "It's a Bidding Game," has been a life master since 1953 and has lectured and taught bridge for many years. He is currently the bridge expert for the National Observer, the county's only national weekly newspaper, and the York Gazette and Daily. He has been a bridge instructor each summer on American Export Lines cruise ships.

The standard American system, mostly Goren, will form the basis of the lectures. After play, hands will be discussed. Miller's York bridge club has been extremely successful, beginning with nine tables and reaching as high as 30 tables. The average there is 10 tables.

If the Gettysburg Bridge Club is successful, American contract bridge league master points will be awarded, offering Gettysburg players an opportunity for official rating.

role in politics.

The women who spoke were Sonja Egenes, a political science teacher from Story City, Ia., running for Congress; Cleon Tavani, Baltimore, running for the Maryland legislature; and Betsy Daniel, Huntington, W. Va., for the state legislature.

As the conference ended, Gen. Eisenhower was asked about the Mississippi crisis and he repeated a statement he made earlier in the week that "I am sure the Chief Executive will find some way to enforce the ruling of the court—if not, it will be a bad day for the United States."

Chevrolet Sedan Is Stolen Here

The 1957 Chevrolet four-door dark green sedan of Harry Bumbaugh, 233 Buford Ave., bearing license number 72469J was stolen Saturday evening at 7 o'clock from the Warner Hospital parking lot.

State police, asked to aid in the search, said there is a possibility the car may have been taken by the person or persons who abandoned an auto at 6 o'clock Saturday evening on the grass between the National Park Visitor Center and Rosensteel's National Museum. Park officials said the 1953 two-tone brown and white Ford found there had no license plates but bore a sticker from Port Detrick, Frederick. Because the keys found in the car bear information as to price, etc., it is believed the car may have been stolen from a used car lot in the Maryland area. Maryland police were alerted.

Foreign Car Is Hit-Run Victim

Damage was \$300 to the English make automobile of George C. Smith, 49, Fayetteville R. 1, when it was struck by a hit-run motorist a half mile north of York Springs on the Harrisburg Rd. Sunday night at 9 o'clock.

State police said Smith told them he was going north when a car headed south started passing a line of cars. The other vehicle, seeing that Smith's auto was approaching from the south, swerved to the left rather than return to its own lane and crashed into the right fender, tire, wheel and bumper of Smith's auto. The other car then continued on around Smith's vehicle without stopping. Smith's car had to be towed from the scene.

BURY MRS. HARNER

Funeral services for Mrs. Carrie Esther Harner, 90, widow of Edward S. Harner, Taneytown, who died Wednesday at the Annie M. Warner Hospital, were held Saturday at 2 o'clock from the C. A. Fuss and Son Funeral Home, Taneytown. Rev. Howard W. Miller, her pastor, officiated. Interment was in Trinity Lutheran Church Cemetery. The pallbearers were: Albert Simpson, Everett Hess, Kenneth Shorb, Clyde Baumgardner, James Baumgardner and Clarence Dern.

Gilbert Beale, a 94-year-old millionaire, and four other persons went for a short ride on London's Thames River—in a Rolls-Royce. It wasn't planned that way. The Rolls shot over the bank, hit a moored yacht, splashed briefly through the water and sank. Fishermen pulled the five passengers — plus two lap dogs — to safety. The car settled in 15 feet of water.

The Night Air In Autumn: It is a fallacy to suppose that it is advantageous to the health to sleep with the windows open during the nights of September and October. The air, moist and damp as it always is in different periods of these months, enters the lungs and generates fevers of many kinds, thoroughly undermining the constitution. "Hall's Journal of Health" takes this view of the subject, and we recommend it to the attention of all our readers. No doubt it is prejudicial to sleep in a close confined room and inhale for hours together the atmosphere, but there are means of ventilation which answer every reasonable purpose. Always be careful to have the room well aired during the day.

A keeper of a saloon advertising his establishment thus concludes: "Those of my patrons who may require it shall be sent home on a wheelbarrow gratis."

It is surmised in some quarters that Jeff Davis has sold Texas to Napoleon for services to be rendered. We don't think the sale will pass any title. The buyer and seller will have as much right as Satan had to all the kingdoms of the world that he wished to dispose of.

Mrs. Smikes says the reason why children of this generation are so bad is owing to the wearing of balmoral boots instead of old-fashioned slippers. Mothers find it too much trouble to take off their boots to whip children, so they go unpunished; but when she was a child, the way the slipper used to do its duty was a caution to the whole family.

The rebel General Kemper, who was wounded and captured at Gettysburg, arrived at Fortress Monroe on the 19th. He has been exchanged for Gen. Graham, of the U. S. Army, late a prisoner at Richmond.

The Franklin Railroad between Chambersburg and Hagerstown has again been reopened for the first time since the rebel invasion. For twelve weeks there was no railroad communication between these places.

SEVENTY-FIVE YEARS AGO

Narrow Escape: On Thursday last a horse broke loose from a hitching post on Washington street and, running up the alley to Baltimore street, came in contact with a horse and buggy which Mr. William A. McIlhenny of Straban township was getting ready to start home. The horse and buggy were upset, the latter being completely crushed. The horse was uninjured. Mr. McIlhenny escaped with a light bruise.

Health Of Hon. Thaddeus Stevens: The condition of the health of Hon. Thaddeus Stevens is rapidly improving. His iron will even surmounts disease. His friends throughout the country have been unnecessarily alarmed. It is true, however, that the hot days of last week did prostrate the "Great Commoner" very much. He is now substantially better and will soon resume work on his reconstruction, revenue and financial measures, hoping to have them ready at the meeting of Congress, November 21. Mr. Stevens has not been away from Lancaster this summer, although he had intended to have gone to his iron furnace and then to the upper lakes.

Messrs. J. Keller and D. K. Steiner got the first premium at the Adams County Fair for a Subsoil Plough, which can be attached to any other plough. It was patented in New York in 1861 and is manufactured and sold by these gentlemen at Mechanicsburg, Cumberland County. The Plough was much admired and is worthy of examination by farmers who understand the value of the best implements.

Today's Talk

OPINION

To have an opinion is to establish yourself on a rock.

When you have an opinion come about as your property in an honest, straightforward way you have something that is worth anyone's notice.

There are too many people who are nothing more or less than collectors of opinions.

Public opinions is the sum total of a brave group of opinion owners. Then it is that all great movements take their start.

If you have arrived at an opinion, stay by it. Defend it. Nourish it as your own and raise it to a healthy life as you know.

Robert Louis Stevenson once wrote that "All opinions, properly so called, are stages on the road to truth."

The man with an opinion of his own has already reached a valuable destination.

And such a man should stay at that destination until he feels strong enough to travel to a better one.

But all opinion has to be demonstrated. It has to have the elements of life and truth, else it cannot live.

No man's opinion should ever be accepted as final.

In thought are opinions born. It therefore stands to reason that you should not live upon the labor of someone else.

I always prick up my ears when I hear a man say: "I have my own opinion." I watch for that man's action. I know that he will not work with the tools of another. He will first earn his tools and then present some finished work as his own.

Opinions are the axioms from which all the problems of life are worked out for the betterment of this world.

Tomorrow Mr. Adams will talk on the subject: "How Honest Are You?"

SUMMER'S END

Way from double-jointed bugs

And fluttering moths and things that crawl;

From squeaky doors and worn-out rugs,

From leather steaks or none at all,

I settle in my cozy den

And thank the Lord I'm home again.

Away from gnats and bats and flies

And dripping bathing suits and sand;

From crows that with the dawn arise

To break the slumbers of the land,

I hail with satisfaction sweet

The quiet of a city street.

Away from paper napkins small;

From edgewise knives and forks that bend;

From towels thin and much too small,

From chimneys smoke will not ascend;

From countless ills that I abhor,

It's good to be at home once more.

TRIBE SEEKS NEW MANAGER

CLEVELAND (AP)—General Manager Gabe Paul was looking for a new field boss for the Cleveland Indians today and said he had "a couple of choices in mind."

"I want the best available," Paul said Sunday after announcing that the contract of freshman manager Mel McGaha, 36, would not be renewed for 1963.

Paul has approached Leo Durocher, former manager of the Dodgers and Giants in the National League, about the Cleveland job. Durocher, now a coach for the Dodgers, must decide whether he prefers Los Angeles or another crack at managing.

The only reason Paul gave for McGaha's dismissal was, "I just felt a change was in order."

The Indians finished sixth in the American League under McGaha after holding first place through a good portion of April, May and June. They dropped out of the top spot on July 8 and gradually slipped downward.

UNBEATEN PSU AND PENN FACE TOUGH TEAMS

By THE ASSOCIATED PRESS

Penn State and Penn, only members of the state big four college football teams still unbeaten, put their records on the line against formidable opposition next weekend.

State looked anything but a 21-point favorite in stopping Air Force Academy 20-6 last Saturday. The Nittany Lions, fourth ranked in the nation and No. 1 in the east, led only 7-6 at halftime and needed two Pete Liske to Roger Kochman touchdown passes to turn back a stubborn Air Force team. Next week, it's Rice in a night game in the southwest.

Penn, trailing 3-0, snapped back for a pair of touchdowns within 50 seconds in the third period to edge Lafayette 13-11. The Quakers, however, looked bad in winning and have little prospect of defeating Dartmouth next Saturday at Hanover, N.H., in their opening Ivy League test.

WEST CHESTER LOSES

The other major college teams, Pitt and Villanova, met success and failure respectively. Pitt, with quarterback Jim Traficant and Fred Mazurek directing a potent attack, tripped Baylor 24-14. The Panthers, now 1-1, meet California this coming Saturday. Villanova drove inside Boston College's 10-yard line four times without scoring in a frustrating afternoon. The saw B. C. win 23-13 on a pair of aerial bombs tossed by quarterback Jim Concannon. The Wildcats next take on Buffalo.

A shocker in the State Conference this past weekend was the end of West Chester's 16-game winning streak. East Stroudsburg turned the trick 7-6, on a wobbly, partially blocked conversion attempt. Also prominent among conference teams was Cheyney, 21-18 victor over D. C. Teachers. This was Cheyney's first football victory since Oct. 3, 1959, and ended a 20-game losing streak. This week, East Stroudsburg should have it comparatively easy against Kutztown, while West Chester is at Millersville.

SUSQUEHANNA ROLLS IN

Other highlights of the past weekend:

Little Susquehanna kept rolling along with a 28-0 victory over Ursinus, extending its victory streak to 15, and keeping its goal line uncrossed in two games this season. Susquehanna next week meets undefeated Lycoming, which won 20-7 over Randolph Macon as quarterback Mike Cohen passed for two TDs and scored one himself.

Bucknell edged Temple for the second straight year on a two-point conversion. The improved Temple team squandered numerous scoring opportunities in losing 15-14.

Lehigh, last year's little Lambert Trophy winner, lost 27-7 to Harvard, the winless Engineers' second straight loss. Gettysburg gave up 415 yards on the ground in losing 49-7 to powerful Delaware. Albright, its long winning streak shattered a week ago by Lycoming, bounced back to surprise Muhlenberg 14-8.

PHILS CLOSE GOOD SEASON

CINCINNATI (AP)—Despite a 4-0 loss to Cincinnati Sunday, the Philadelphia Phillies have closed out their most successful National League baseball season since 1957 by finishing in seventh place with an 81-80 mark.

The Phillies finished fifth in 1957 with a 77-77 record and for the last four years had finished in last place in the then eight-team league. This year the NL had 10 teams with the entry of Houston and the New York Mets.

It was a sad note, however, for Phillies right-hander Art Mahaffey, who was unable to gain his 20th victory and become the first Phillies' pitcher to win 20 since Robin Roberts captured 23 in 1955. The defeat was Mahaffey's 14th. He had tried six times to post his 20th victory.

Frank Robinson belted a pair of doubles to pace Cincinnati's seven-hit attack.

TOP COLLEGE GRID TEAMS KEEP ROLLING

By BOB GREEN

Associated Press Sports Writer

It was just a couple of years ago that there was some talk about giving up football at Stanford. Right now the Indians stand a good chance of vaulting into the list of the nation's top ten college football teams.

Three of the nation's ranked teams were upset victims over the weekend, which may seriously jeopardize their positions on the select list.

Stanford, unbeaten in two starts this season, has to rank as a prime candidate if one or more should fail in the balloting.

FOUR TOPPERS WIN

The Indians upset sixth-ranked Michigan State, 16-13, proclaiming an end to a drought that had brought them only four victories in two years. They didn't win a game in 1960, and there was some talk about giving up the sport.

The other upsets involving the top teams both were ties. Missouri (No. 10) salvaged a scoreless tie with Minnesota after stopping the Gophers inside the 5-yard line three times, and Louisiana State (No. 5) matched Rice, 6-6. But if the lower half of the top teams in for a shakeup, there seems to be little doubt about the top three or four teams retaining their positions.

Top-dog Alabama, the defending National champion, humbled Tulane, 44-6, to its second straight. Second-ranked Ohio State unleashed an offense that was so powerful it wasn't forced to punt once in a 41-7 rout of North Carolina, and Texas (No. 3) swept past Texas Tech, 34-0.

OTHER UPSETS

Penn State (No. 4) had a little more trouble against Air Force, but the result was the same. The Nittany Lions had only a 7-6 lead at half, but struck for two touchdowns in the last half and finished 20-6.

Mississippi (No. 7) took Kentucky, 14-0; Georgia Tech (No. 8) defeated Florida, 19-0; and Southern California (No. 9) smacked Southern Methodist, 33-3.

The upsets weren't confined to the top ten, however, with Auburn edging Tennessee 22-21, Nebraska surprising Michigan, 25-13, Notre Dame taking Oklahoma, 13-7, and Washington beating Illinois, 28-7.

CAR FLIPS AT GROVE SUNDAY

WILLIAMS GROVE, Pa. (AP)—A sprint car spun out of control, flipped high in the air and landed upside down Sunday, but the driver—Jim McGuire of Brighton, Mass.—escaped with only minor injuries.

The crash occurred on the 14th lap of a scheduled 20-lap sprint feature at the Williams Grove Speedway. McGuire suffered minor burns on his foot.

Another driver, whose car plowed into the wrecked McGuire car after the accident, also escaped serious injury.

Earl Halquist of Sidney, N.Y., was declared the winner after the other drivers refused to continue the race.

Johnny Mackison, defending point champion of the Cumberland Valley Racing Association, won the 25-lap modified stock car feature.

Later, Mackison won the 35-lap modified stock car feature at the Susquehanna Speedway in Newberrytown. The York chauffeur sped to a new track record of 13 minutes, 11.05 seconds in the "end of the year championship" event.

Ray Tiley of Fredericksburg, who had led the race for the first 25 laps, finished second, with Gene Goodling of Stoverstown third.

CAMDEN, N.J. (AP)—Tommy Roberts, general manager of the Camden Bullets of the Eastern Basketball League, says he has signed Paul Arizin, a 10-year veteran with the Philadelphia Warriors and twice scoring champion of the National Basketball Association.

ADVERTISE IN THE TIMES

PETE RUNNELS WINS BATTING CROWN AGAIN

NEW YORK (AP)—Pete Runnels of the Boston Red Sox captured his second American League batting championship Sunday as Mickey Mantle's belated bid for his second title fell five points short.

Runnels, veteran first baseman, sat out both ends of the double-header against Washington because of the flu and finished with a .326 average. Mantle collected two hits in three tries in his final game and wound up at .321. The New York Yankees' star outfielder barely ranked for title consideration, finishing with the minimum 502 total appearances.

Runnels won his first batting crown in 1960 with a .320 mark. Mantle took it in 1956 with a .353 average.

DAVIS IN LEAD

In the National League, Tommy Davis of the Los Angeles Dodgers holds a five-point lead over Cincinnati's Frank Robinson. The Reds outfielder collected two safeties in three at bats in his final game Sunday and lifted his average to .342.

Davis is batting .347. However, his performance in the best-of-three playoff against San Francisco will count in the regular season records.

Harmon Killebrew of the Minnesota Twins won the American League home run and runs batted in titles. He slammed 48 homers and drove in 126 runs.

Willie Mays of San Francisco clinched his second National League home run crown by smashing his 47th. Hank Aaron of Milwaukee finished second with 45.

DelawareRuns Roughshod Over Outclassed Bullets For Easy 49-7 MAC Win

The University of Delaware literally ran Gettysburg College into the ground by walloping the Bullets 49-7 Saturday afternoon before approximately 5,000 fans on Memorial Field in a Middle Atlantic Conference, university division contest.

The Blue Hens put three complete units on the field and it was hard to tell which was the first so-called team. The invaders from Delaware marched up and down the field at a 415-yard net rushing clip compared to Gettysburg's 63. The Hens were able to move at will throughout the game but were unable to score in the third period when the reserves took over.

Coach Dave Nelson's MAC pre-season favorites got the ball rolling right from the start by crossing the goal line four times in the first period and taking a 27-0 lead. Fullback Ron McCoy ripped off right tackle from 12 yards out for the first score at the 7:58 mark of the stanza. Exactly two minutes later, John Wallace cut off right guard from the 16 for the second score. Tom Michaels, second string fullback bolted over from the one followed by sophomore Bill Hopkins' 25-yard skirt around right end with 12 seconds remaining in the quarter. John Osborn, who does nothing but kick placements and field goals, made good on three of four attempts.

Delaware continued its march in the second quarter when Mike Brown, fleet-footed halfback, scored his first of two TD's. Brown galloped 63 yards off right tackle after Gettysburg had lost the ball on downs on the Delaware 32. Osborn made it 36-0 at half when he split the uprights from the 14-yard line for a field goal with 5:52 remaining in the half.

BULLET PASSES CLICK

Gettysburg's lone touchdown of the game came at the 4:41 mark of the third quarter. An Arnis Rozental punt was downed on the Bullets' 20. Reed Ernst, Camp Hill, began filling the air with passes, which paid off. Completing four of five aerials, Gettysburg advanced the pigskin to the Delaware four. Sophomore Tony Presogna capped the 80-yard drive with a wide sweep around right end for the score. Barry Gruber, Junior halfback, added his fourth straight placement of the season.

Delaware recorded two more touchdowns in the fourth period when Mike Brown tallied his second TD of the day on a 32-yard jaunt off right tackle and with 4:10 remaining in the game, John Wallace registered his second six-pointed from two yards out. Osborn attempted to put the score over the 50 mark on a field goal try on the last play of the game, but fullback Dick Lardner came crashing through to block the boot.

It was thought that Delaware might try to hit the air lanes more often after the Bullets' pass defense showing against Bucknell, but it turned out that the Blue Hens' back did not have to resort to that. Brown rolled up 129 yards rushing on seven carries and teammates Wallace and Hopkins registered 63 and 60 respectively. Connie Snyder topped the Bullet rushers with 30 yards on one carry.

Gettysburg will be looking for a win Saturday when it travels to Bethlehem to tangle with Lehigh University, also 0-2 on the season.

DALLAS WINS OVER BUFFALO SUNDAY 41-21

By THE ASSOCIATED PRESS

They say bad things come in threes. But not for the Dallas Texans in the American Football League this year. It's three good things for them.

First, Coach Hank Stram has come up with the quarterback he's been looking for the past two seasons in Len Dawson. Also, to go with the former Purdue ace's pinpoint passing Dallas continues to get the running from Abner Haynes.

And third, Stram's once-questionable defense now is rated as the league's best.

Put 'em all together, and they spell first place in the Western Division with a 3-0 mark after Sunday's 41-21 blasting of the Buffalo Bills, who are winless in four games.

DENVER KEEPS ON

Denver (3-1) continued its surge in the West with a solid 32-10 victory over New York (2-2) while rookie John Hadl led San Diego (2-2) to a 42-33 victory over Oakland (0-3). Houston and Boston were not scheduled.

In the National League, Green Bay defeated Chicago 49-0, Philadelphia knocked off Cleveland 35-7, Dallas beat Los Angeles 27-17, Detroit beat Baltimore 29-20, San Francisco won over Minnesota 21-7, New York conquer Pittsburgh 31-27 and Washington upset St. Louis 24-14.

Dawson passed for three touchdowns against the Bills, giving the league's No. 1 quarterback eight so far in his first AFL season. He ran his passing yardage to 678 yards, picking Buffalo's defenses for 258, and then added 59 more on the ground.

LOSE GROSSCUP

Gene Mingo, the league's leading scorer, kicked four field goals and two extra points for Denver against the Titans. Bronco quarterback Frank Tripucka threw one touchdown pass and scored his first TD in a 3-year AFL career.

New York lost quarterback Lee Grosscup with a knee injury on the game's third play, and their offense sputtered thereafter. Hadl, who's supposed to make San Diego fans forget about the now-departed Jack Kemp, the quarterback who paced the Chargers to two divisional titles, threw three TD passes. He had help on the ground from Keith Lincoln, who set up one TD with a 45-yard run, and scored one with an 86-yard run.

Hersh Winner Of Lincoln Feature

Bobby Hersh, Glen Rock, captured the 35-lap double-points sportsman modified feature race Saturday night at Lincoln Speedway before a capacity crowd.

Hersh took over the lead on the 33rd lap after the leader, Bud Folkenroth, Stoverstown, flipped over. Folkenroth was uninjured. Charles Pobletts and Willie Muselman were second and third respectively.

Heat winners were Chuck Talbert, Dizzy Dean and Ralph Smith and the consolation race was won by Don Ferguson.

Ron Rutter captured the 30-lap strictly stock feature, Will Dick and Ray Wildasin were second and third. Heats were won by Junior Eckert and Rutter.

A large fireworks display also featured the program. Another program will be held this Saturday night.

MAYS' HOMER WINS IT FOR HAPPY GIANTS

By MIKE RATHET

"I knew it was gone," said smiling Willie Mays.

"Damn it, damn it," said dejected Johnny Podres.

That just about summed up the feelings of the players Sunday at the two focal points of major league baseball—in San Francisco where the Giants won, and in Los Angeles, where the Dodgers lost and brought about the fourth pennant playoff in National League annals.

Mays, who hadn't had a hit in his last 10 trips to the plate, led off in the eighth with Houston and San Francisco locked in a 1-1 tie, and tagged a one-strike pitch over the left field fence for his 47th homer and a 2-1 Giants' victory. HAD SHUTOUT GOING

Podres, who had a two-hit shutout with one out in the eighth, served up a pitch to Gene Oliver, and the St. Louis catcher hit it into the lower left field stands for a homer that carried the Cardinals to a 1-0 triumph over the Dodgers.

The combination of the Giants' fifth victory in the last seven games and the Dodgers' fourth consecutive defeat and sixth in games since they built a four-game lead only last Monday left the two clubs in a tie for the title.

A three-game playoff begins today at 3 p.m. EST in San Francisco, where Billy Pierce (15-6) will likely start against the Dodgers' Sandy Koufax (14-6). The second game, matching the Giants' Jack Sanford against Stan Williams, and the third game, if necessary, will be played in Los Angeles.

The World Series, with the American League champion New York Yankees furnishing the opposition, starts Thursday.

FALCONS VERY TOUGH FOR PSU

UNIVERSITY PARK, Pa. (AP)

"That was the most fired up football team I've ever seen," declared head coach Rip Engle of Penn State.

Engle made the statement after his fourth-ranked Lions staved off a stubborn Air Force Academy 20-6 to post their second win of the season Saturday.

For the entire first half, the Air Force actually outplayed the heavily favored Nittany Lions—outrunning them, outpassing them and outdefending them.

Only in the last 20 minutes, did State finally manage to come alive with quarterback Pete Liske pitching touchdown passes of 3 and 15 yards to halfback Roger Kochman to break the game open.

Until that time, the Air Force, a 20-point underdog, threw up an almost impenetrable defense to blunt the Nittany Lions' vaunted running and passing attack.

Meanwhile, fancy stepping Terry Isaacson, a junior quarterback from Oak Park, Ill., sparked the Falcon offense, running and passing on the option play like it was made for him.

Fumbles actually cost the Falcons more than anything else.

Littlestown Chalks Up Second Win In Row By Topping W. York 20-7

Littlestown High School evened its football record at 2-2 by breezing past West York 20-7 in a Laurel Conference game Saturday afternoon at West York.

In registering their second bolts scored twice on the ground and once through the air.

Bill Heyser's Thunderbolts took the opening kickoff and drove 87 yards for its first six-pointer. Bill Woodward opened the drive with a 13-yard run and Ted Bortner and Dick Motter chipped in with runs of 17 and 15 yards, respectively. A pass interference play against West York gave Littlestown a first down on the Bulldogs' 10 from where Bortner circled the end for the score. Bortner place kicked the point.

STOP TWO THREATS

West York threatened twice in the first period. The Bulldogs drove from their own 41 to Littlestown's 22 before being halted. A short time later the Bolts punted off poorly to give West York possession on the Littlestown 23. Gerald Godfrey picked up four yards on a try but a fumble, incomplete pass and loss on a running attempt wiped out the threat.

The tide turned at that point when Motter broke away for a 48-yard run to the West York 30 and a 1 Bortner moved the ball to the 27 as the quarter e.d.

After reaching the 14 the Bolts took to the air, Woodward firing a quick pass to Dale Bair, end, who ran eight yards for a score. Bortner, forced to run for the point after a high pass wiped out a kick, was stopped.

Midway in the second period West York reached the Littlestown 17 but a fourth down fumble with two yards to go gave the Bolts possession. A short time later West York recovered a Littlestown fumble on the 26 but a hurried West York pass was grounded as the half ended.

Twice in the scoreless third quarter West York threatened. The first was stopped when Terry Pottoff intercepted on the Bolts' 24 after a 39-yard drive by the Bulldogs. The second came when Littlestown threw up a stout defense to take the ball on the 25 after West York had driven from the Bolts' 48 where a fumble had been recovered.

MOTTER PACES 82

Motter turned in the longest run of the afternoon early in the final period when he broke away at his own 18-yard line and streaked down the sidelines for an 82-yard touchdown run. Bortner added the extra point on a placement.

West York averted a shutout late in the game when Dale Stough pressed to Harry Sanders on a 29-

Koufax To Go For Dodgers In 1st Playoff Game Today For NL Flag As Giants Tie

By JOE REICHLER

Associated Press Sports Writer
SAN FRANCISCO (AP) — The players are different and the home cities of the two clubs have changed but it was 1951 all over again for the Giants and Dodgers as these two arch rivals engaged in the opener of another post-season playoff for the National League pennant.

Just as it was 11 years ago, it was the Giants who overhauled the Dodgers. The Giants, managed by Alvin Dark, the '51 team captain, didn't have to make up as much ground this time, but in some ways, the Dodger collapse was even greater.

The 1951 Dodgers dissipated a 13½-game lead of mid-August but it was due to a tremendous Giants' surge rather than a Dodger foldup. This time the Dodgers, as even their manager admitted, had no one to blame but themselves.

LED SINCE JULY 7

They had held the lead since July 7 and a one time, on Aug. 9, were 5½ games in front of the Giants. Only a week ago the Dodgers led the Giants by four games with a but seven to play. They lost six of those seven. The Giants won five of their seven to make up the four-game difference.

The double crusher came Sunday when the Giants nipped Houston 2-1 on an eighth-inning home run by Willie Mays and St. Louis blanked the Dodgers 1-0 on an eighth-inning home run by catcher Gene Oliver.

Johnny Podres pitched brilliantly permitting only five hits, but lost the hurling duel to Curt Simmons.

KOUFAX TODAY

Dodger Manager Walter Alston, trying desperately to hide his disappointment, refused to blame the Dodger collapse on tenseness.

Alston named Sandy Koufax, the southpaw strikeout sensation, to pitch today's opener against the Giants, after having been informed that the Giants planned to start Billy Pierce, the veteran left-hander.

Koufax had won 14 of 20 decisions, all his victories coming in the first half of the season. He recently returned to the starting rotation after being sidelined since July 1 with a circulatory disorder in the forefinger of his pitching hand.

The Giants and Dodgers fought evenly during the regular season, each winning nine games. The Giants, however, won six of the last seven from the Dodgers.

STU MILLER'S WIN

Mays' homer came off Houston starter Dick Farrell (10-20), who had been touched for Ed Bailey's 17th homer in the fourth inning that sent the Giants out to a 1-0 lead. The Colts tied it in the sixth against Billy Od'Dell on singles by Roman Mejias, Bob Aspromonte and Jim Pendleton.

O'Dell led for a pinch hitter in the seventh and Stu Miller (5-8) received credit for the victory.

The story at Los Angeles was much the same with Cards' starter Curt Simmons and Podres matching serves. Simmons (10-10) allowed only five hits, hurling the second straight St. Louis shutout against the Dodgers and extending their scoreless innings string to 21 while keeping them from getting a runner beyond second base.

AL DARK HAPPY

Podres (15-13) had given up only the two hits and hadn't permitted a runner past first base when Oliver connected for the clincher.

In the clubhouse, the managers of the playoff participants pulled their respective thoughts together and made these comments:

Al Dark of San Francisco: "I've never seen a club come back like this one—a club that was counted out so much. But this thing isn't over yet."

Walt Alston of Los Angeles: "Well, we can't back into it now. This time we've got to win it ourselves."

A Lovelier You

By MARY SUE MILLER
GREY EXPECTATIONS. A fashion-wise woman looks for more value in a winter coat, unless she has a closetful, than in any other wardrobe item. And rightly so!

The purchase represents a sizeable investment. A mistaken choice can seldom be written off lightly. You have to wear your mistake day in and day out, coming and going. Horrible thought!

Chances of error become less likely when selections meet this test:

- Does the silhouette enhance your figure? Preserving the status quo is not good enough. The lines of a coat should improve your own. Remember, too, that the bulk and pattern of fabrics also influence your proportions.

- Is the color flattering? Not if it deadens your skin, nor if it emphasizes a too rosy or sallow tone.

- Is the style adaptable to your needs and wardrobe? Lightly fitted coats in neutral shades are generally wearable. In the neutral category, count black and the new dark browns, charcoal grays, taupes, deep greens and off whites.

- What of durability? Gratifying service is promised by quality fabrics, sound workmanship and trend-setting features.

Among trend-setters include fabrics from fleecy to smooth, patterns from huge plaids to plains. Silhouettes tend to modified princess lines; lean shapes like the chesterfield; fitted fronts and loose backs; belted "trench" coats; doll-waisted styles with a rash of skirt fullness. Throats are muffled in fur and stoles. Sleeves are often longer and fuller.

In fact the diversity in styling is so great that finding a y-o-u coat should be easy. Good hunting.

MOST BECOMING LINES

Do you know in detail what lines in clothing enhance your good points and play down the not-so-good? The right lines do both and so make a fine finger of a woman! How it's done is told in our leaflet, "YOUR MOST BECOMING LINES." Advice is individual and includes silhouettes, necklines, shoulders, sleeves, belts, trimmings. To obtain your copy, write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a self-addressed, stamped envelope and five cents in coin.

Charles E. Tressler, a native of Littlestown and now principal of Gettysburg High School, will be the guest speaker. He is a former member of the Sunday School and former teacher in the local high school and the state college at Montclair, N.J.

ADVERTISE IN THE TIMES

Kennedy Says He Had To Call Out Troops In Mississippi

By DOUGLAS B. CORNELL
WASHINGTON (AP)—President Kennedy declares it was his inescapable duty to call out troops when Mississippi defied court orders to enroll a Negro at the state university.

Grim, yet conciliatory at times, the President said Sunday night in a short radio-television address to the nation that he hoped it would be unnecessary to use troops, even though conciliation and persuasion had failed to obtain admission of James H. Meredith.

After his address, Kennedy sat beside the telephone in his office getting up-to-the-minute reports on rioting, gunfire and teargas sweeping across the university campus at Oxford — and the arrival on the scene of federal military reinforcements.

COURTS DEFIED

Courts of law, all the way to the Supreme Court, Kennedy said in his speech, ordered Meredith's admission into the university. When the orders were defied and those who tried to carry them out were threatened with arrest and violence, the U.S. Court of Appeals "made clear the fact that the enforcement of its order had become an obligation of the United States government."

"Even though this government had not originally been a party to the case," the chief executive said, "my responsibility as President was therefore inescapable. I accept it."

"I deeply regret the fact that any action by the executive branch was necessary in this case but all other avenues and alternatives, including persuasion and conciliation, had been tried and exhausted."

DELAYED ADDRESS

The President had put off his address for 2½ hours, from 7:30 p.m. to 10 p.m. In the interval, U.S. marshals had installed Meredith on the Ole Miss campus and governor, Ross Barnett, had acknowledged "we are physically overpowered."

Barnett, who has been cited for contempt for spurning court orders to permit Meredith's enrollment, still protested hotly that the federal government was destroying the Constitution and trampling on state sovereignty. But he said in a statement he abhorred prospects of bloodshed and was urging all Mississippians and instructing state officers to "do everything in their power to preserve peace and to avoid violence in any form."

Democrats Gain In Early Reports

HARRISBURG (AP)—Official registration returns from 22 of Pennsylvania's 67 counties showed today that the Democrats have signed up 6,407 more new voters than the Republicans so far for the Nov. 6 election.

The returns, made public by Commonwealth Secretary E. James Trimarchi Jr., also give the Democrats a 75,031 edge in the over all number of registered voters in the counties.

Only seven of the counties—Bradford, Forest, Huntingdon, Pike, Potter, Snyder and Wyoming—produced a larger number of new Republican voters than Democrats.

The largest increase came in Westmoreland County where 5,100 new Democratic voters were registered along with 1,605 new Republican voters.

NEW GUTHRIE THEATER WILL OPEN IN MAY

By BOB THOMAS
AP Movie-Television Writer
MINNEAPOLIS, Minn. (AP)—

Next May? The Tyrone Guthrie Theater will open here as a gleaming showplace, billed as the best new hope for breathing life back into the living American theater.

It is now a jumble of scaffolding and cement forms. But the revolutionary, asymmetrical theater is taking shape. When finished, it will offer an example of how a progressive city, prodded by theater zealots and a stage genius, might be able to rescue the legitimate theater from its expense-account ghetto.

It all started a couple of years ago. Tyrone Guthrie, whose stature as a stage director matches his own size (6 feet 5), grew weary of the over-priced hit-or-miss commercial theater of New York City. Together with Broadway producer Oliver Rea, he expressed a desire to start a grassroots theater in the United States along the lines of English repertory.

NARROWED TO 3

Sir Tyrone and Rea barnstormed the country for prospective cities. They were well received, though in one city the mayor chatted with them for 15 minutes about Irish whiskey; he "thought Guthrie was a salesman" for it.

The choice narrowed down to three cities far enough removed from Broadway and tryout towns: Minneapolis, Cleveland and Milwaukee. Minneapolis won because: 1. It had a good record in boosting art and music; 2. Nearby University of Minnesota had a graduate drama school to provide a workshop group; 3. Minneapolis and St. Paul offered a ready audience of 28,000 college students.

Then there was the matter of money.

"HAMLET" IS FIRST

"Minn will come through," said the confident Guthrie. Minn did with publishing her John Cowles Jr. as president, the Tyrone Guthrie Theater Foundation raised \$2,150,000 from 3,500 local families. Guthrie signed on for three years at much less than his usual salary.

The first play will be an American "Hamlet," starring the young Southern actor George Grizzard (the nasty senator in the film "Advise and Consent"), Guthrie and Rea are recruiting other actors in New York and Hollywood. Joanne Woodward and Diane Baker have been mentioned for Ophelia.

The idea is to have a company of 25 professionals — 15 male, 10 female — to perform four well-known plays in a 20-week period starting in May. This time span was chosen to take advantage of the 250,000 visitors to the Twin Cities during that time; also it is the slack period for television actors.

DIES OF INJURIES

YORK, Pa. (AP)—James R. Rahn, 16, of Spring Grove R. 3, died today in York Hospital of injuries suffered Sunday night when his auto ran off a rural road in nearby Jackson Township and overturned three times. He was riding alone.

WEST HAVEN, Conn. (AP)—The Rev. Joseph Chandler Robbins, 88, Baptist clergyman, author and president of the American (Northern) Baptist Convention from 1942-44, died Sunday. He was born in Rodan, Nova Scotia.

The activities building committee of Taneytown will meet Thursday evening, October 4, to elect directors and officers. Representatives of every civic, fraternal and service organization in Taneytown and community have been urged to attend.

The ABC, as it has been referred to, will be a community-wide organization made up of representatives of all group and organizations and will have as its purpose the planning and erection of an activities building for the community. Glenn Reeve, temporary chairman, announced that meetings have not been held for some time, pending additional information, progress reports and the outcome of the Jaycee community survey.

The Ki-Wives met Monday evening at Taney Inn with 18 members and six guests present. During the group singing three birthdays were recognized, Daisy Pearl Reifsnider, Kitty Royer and Grace Graham; also the birthday of Mrs. Nettie Albaugh was recognized.

President Linda Hopkins welcomed the members and guests. The Taneytown Ki-Wives program booklet was printed by Marian Leakis and distributed to the members.

Marian Leakis introduced the speaker and demonstrator, Mrs. Walter Schwartz, of Littlestown, who spoke on "Feather Hats."

HIGH MASS IS
SUNG SUNDAY

The first High Mass in the newly decorated St. Aloysius Catholic Church was sung Sunday morning by the vested choir of 16 male voices of St. Patrick's Cathedral, Harrisburg. The choir was directed by Bernard B. Wert, who also served as organist. The choir sang a Gregorian proper, a figured Kyrie, Gloria and Credo and a motet at the offertory. Before returning to Harrisburg the group enjoyed luncheon in the Elmwood Room of Williams Hotel.

Rev. Dr. John E. Metz, pastor, announced at the Masses yesterday that there will be a meeting of the chairmen of the various committees to make preliminary plans for the annual three-day Thanksgiving bazaar and supper at 8 p.m. Wednesday in the parish hall. Religious instructions for junior-senior high students of the parish attending public school will be given this evening at 7 o'clock. The weekly public party with prizes and refreshments will be held at 8 p.m. Tuesday.

During this week each family will receive literature concerning the adult education program for vocations being conducted throughout the diocese of Harrisburg, which will continue over a period of 10 months with supplementary material being distributed each month. Each parishioner is called to a nine-day novena of prayer and mortification for the success of the Eucumenical Council which opens October 11. Each family will receive the "thought for the day" Tuesday when the novena will begin and will continue through October 10. There will be prayers following daily Mass at 8:15 a.m. in the church. Confessions will be heard Thursday at 4 and 7 p.m. and in addition to the 8:15 a.m. Mass on Friday, the first Friday of the month. Communion will be distributed outside of Mass at 5:45 and 7 a.m. and there will be 7:30 p.m. Mass. The annual Forty Hours devotions will open at the 10 a.m. Mass October 14 with a procession in which the children of the school will participate and will continue through Tuesday evening, October 16.

Father Metz baptized Bernard Lee Smith, born September 23 in Hanover, son of Francis P. and Helen Schalline Smith, Littlestown R. 2, Sunday following the late Mass. William J. and Emily T. Smith, brother and sister of the child, were the baptismal sponsors.

Charges GOP Hides
Real Penna. Powers

HARRISBURG (AP) — Democratic State Chairman Otis B. Morse has accused the Republican Party of attempting to conceal the real GOP powers in Pennsylvania.

Why else would Republicans refuse to make public a list of guests who attended last Thursday's GOP fund raising dinner at Hershey? Morse asked in a week-end statement.

"The Republicans apparently are ashamed to reveal the identities of this powerful group of men who are financing the campaign of their handpicked (gubernatorial) candidate William W. Scranton," he added.
